

WAYFINDERS
HELPING OPPORTUNITY FIND EVERY CHILD

What is Wayfinders?

Wayfinders is a youth empowerment organization that connects under-resourced 4th - 12th grade students to summer camp, year-round enrichment, and mentoring opportunities.

Mentors are the thread that ties our program together.

Mentor Pledge & Benefits

Meet monthly with your mentee through Wayfinders' opportunities to develop your mentoring relationship.

Sustain a meaningful relationship with your mentee for at least 5 years.

Mentor training and support provided through mentor teams and coordinators.

Experience increased empathy and heightened awareness of challenges facing under-resourced families.

"I chose to become a mentor with a mindset to give back ... it wasn't until I became one that I understood there was equally as much to gain."

-- George Metz, Wayfinders Mentor

How Do I Get Involved?
